

A Special Announcement to all CVMA Members

Dear CVMA Members,

It is with great pleasure and excitement that we announce that Fireman's Fund Insurance Company will provide its veterinary insurance products – specifically designed for the CVMA Insurance Program – through Veterinary Insurance Services Company (VISC).

Over the past couple of years, multiple brokers have been able to provide these customized insurance coverages to CVMA members in California, but now they can only be obtained through the CVMA member-owned brokerage, VISC, as the only agent Fireman's Fund has appointed for the CVMA Insurance Program.

Other brokers do not enjoy the close working relationship with the CVMA, nor do they have the advantage to access the CVMA's practical insight and knowledge of the veterinary profession. Fireman's Fund, with its roots in California, is a national insurer with some of the highest financial ratings in the industry. Along with parent company Allianz SE, one of the largest insurers in the world, we are committed to California and understand the business and insurance environment in this state.

During the thirteen year relationship between Fireman's Fund and the CVMA, we have endeavored to bring veterinary practices the most comprehensive, customized coverages available in the marketplace. Fireman's Fund has excelled in providing CVMA members with consistently prompt, fair and caring claims services and superior risk management services.

Over the years, Fireman's Fund has been a premier sponsor of the Pacific Veterinary Conference, has delivered safety articles and training modules to CVMA members, and has partnered with VISC and the CVMA to provide 5 grants to fire departments totaling \$41,000 through its Heritage ProgramSM.

The dynamic collaboration between Fireman's Fund and VISC is evidence of the stability, understanding and commitment that Fireman's Fund brings to the CVMA and its members. If you are currently with Fireman's Fund Insurance Company, but not with VISC, please contact a VISC sales representative at 888.762.3143 and they will work with you to maintain the coverages and services you have come to expect with Fireman's Fund.

We extend our personal thanks to all members of the CVMA for allowing us the opportunity to serve their personal and business insurance needs, and look forward to more years of this exceptional relationship.

Mike LaRocco
Chief Executive Officer
Fireman's Fund Insurance Co

George Hagopian
President & CEO
VISC

Mark T. Nunez, DVM
